

## Maiano Inn

The Mainao Inn is a fantastic choice for anyone looking for a simple but comfortable and friendly hotel in the Galapagos Islands. Located in the heart of Puerto Ayora on the island of Santa Cruz, you have all the amenities of the Galapagos' main town on your doorstep, with the option of taking a variety of trips out to the other islands of the Galapagos archipelago.

The famous Charles Darwin Centre, home to the oldest Galapagos tortoise alive - Lonesome George - is just down the road, and the beaches of Santa Cruz are all a short walk or quick bike ride away so you really don't have to go far to enjoy some of the Galapagos' amazing wildlife and scenery.
